Thought for the month

Remember:

"For if you remain silent at this time, relief and deliverance for the Jews will arise from another place, but you and your father's family will perish. And who knows but that you have come to royal position for such a time as this?"

Esther 4:14

Message from the Presbyter

Dear Beloved-in-Christ,

“Greetings to you in the precious name of our Lord Jesus Christ”.

“Then I heard the voice of the Lord saying, “Whom shall I send? And who will go for us? And I said, “Here am I, Send me!”

Isaiah 6:8

It's my great privilege to serve such an affluent Church in Mumbai Metropolitan City, the Jubilee Malayalam Church. I thank God for such a wonderful grace given to me and my family. I am Happy to be the successor of Rev. Varghese Enathickalachen, who was my co-worker in youth fellowship of C.S.I. Christ Church Trivandrum. We request your prayers and support during our tenure in this church. Being a missionary for 7 years in Andhra, it is thrilling for me to share the stories and incidents of great missionaries. It's because of their tiresome work, exemplary life, sacrificial faith journeys and dedication, many congregations were formed,

many institutions were emerged and many places became well known to the world.

David Livingstone, who was born in Scotland in 1813, became a great missionary, who was sent to South Africa by the London Missionary Society. He worked as a medical missionary under Robert Moffat the Patriarch of African Missions. Livingstone was an avid explorer. He discovered Victoria Falls in 1855, naming it for England's Queen Victoria and constantly on the move, pushing further and further into the interior of Africa. When he entered into the villages of Africa he quoted that "I have seen the smoke of a thousand villages where the name of Christ has never been heard". His writings and lectures on return trips to England opened Africa to the world. He died in Zambia in 1873. His heart was cut out and buried in Africa and his body was sent to England where Livingstone was given the state funeral and buried in Westminster Abbey.

Statistics shows that in 1900 only 3% Christians were there in Africa. But today more than 50% are Christians.

In the multi-religious context we are having the freedom of worshipping and celebrating Christian festivals without any hindrance, till today. London missionary society, Church Missionary Society, Danish mission, German mission, American Mission and many missionary societies from different parts of the world started their gospel work in India which paved the way for many great churches, schools, hospitals and other institutions in various parts of our country. As a faith community, what we are enjoying today in worshipping the living God is only because of the tremendous ministry of the missionaries and wholehearted acceptance of our ancestors towards the Gospel works.

The success of any God's servant needs the commitment and response to God's plan which we can see in Isaiah 6:1-13.

1. Remember the Holy Character of our God:

In the year that King Uzziah died, Isaiah had a vision. He had a strong conviction to remember the holiness of God apart from the power and greatness of King. Holiness of God taught us from the Bible that the sin in the garden could not be excused, the people of Noah's day could not be allowed to live and cities of Sodom and Gomorrah could not stand.

2. Remember to keep a tender Christian Conscience:

When Isaiah saw the vision of God, he had the capacity to see himself. This is

possible only by the amazing touch of our Lord Jesus Christ. If we are not realizing this touch, we couldn't see ourselves as well as the Lord. The Heroes of the Bible humble themselves and what they proclaimed in their different experiences is stated below:-

Abraham: I am but dust and ashes,

Job: *I am vile,*

Paul: *I am less than the least of all saints,*

Peter: *Depart from me, for I am a sinful man.*

3. Remember to Listen for the voice of God:-

Real touch and confession make us to commit before His calling. This helps us to take the tough and hard challenges before us and able to overcome any hardships. Isaiah had a strong conviction which leads to confession and cleansing. Through this process, he could be able to submit himself before His great commission.

His calling and commission is always in the History. Today, are we ready to be part and parcel of His calling? How much time and money we are spending in the missionary work? Shall we re-examine ourselves and these questions shall always disturb our easiness and laziness. May God Bless you.

With love and prayers.
